

June 23-25, 2018, Shenzhen, China

<http://www.iccpr.org/>

2018 International Conference on Computing and Pattern Recognition (ICCPR 2018) will be held in The Harbin Institute of Technology, Shenzhen, China during June 23-25, 2018. The main objective of ICCPR is to create an effective platform for researchers and technical experts to share recent ideas, innovations and problem solving techniques in the vast areas of Computing and Pattern Recognition. It will be a great opportunity for both researchers and industrial communities to meet, discuss and share their research outcomes.

Shining Points

- Accepted and registered papers can be published in **ACM Conference Proceedings (ISBN: 978-1-4503-6471-3)**, indexed by **Ei Compendex** and sent to be indexed by Scopus. Or **International Journal of Machine Learning and Computing (IJMLC) (ISSN: 2010-3700)**, indexed by **Scopus and EI (INSPEC, IET)**.
- Prof. Cheng-Lin Liu from Chinese Academy of Sciences, China. Prof. David Zhang from The Hong Kong Polytechnic University, Hong Kong. Prof. Linlin Shen from Shenzhen University, China. Assoc. Prof. Chaoyang Chen from Wayne State University, USA, and Prof. Laurent Heutte from University of Rouen, France have joined as speakers.
- One Day Visit will be arranged on June 25, 2018.

Important Dates

Paper submission (Full Paper)	Before April 15, 2018
Notification of acceptance	On May 5, 2018
Authors' Registration	Before May 25, 2018
Conference Dates	June 23-25, 2018
One Day Visit	June 25, 2018

Call for Papers

- Information retrieval
- Data mining
- Web mining
- Evolutionary computing
- Swarm intelligence
- Artificial immune systems
- Computer vision
- Bio-informatics

More topics can be found at <http://iccpr.org/cfp.html>.

Submission Methods

1. Electronic Submission System:
<https://cmt3.research.microsoft.com/ICCPR2018> (.pdf)
2. Email Address: iccpr@cbees.net (.pdf or .doc)
